

## POLICE DEPARTMENT MONTHLY REPORT

April 9, 2015

Criminal activity has stayed consistent. There were a couple cases of note not reflected in the statistics below. A truck was stolen from outside a business in Gunnison and recovered near Nucla. The truck has been returned to the owner and a suspect was identified by the Telluride Marshals Office and State Patrol. The suspect is a transient who was passing through Gunnison and a warrant has been issued for a Jim Shields. In the other case officers became aware of an adult using Facebook to initiate a sexual relationship with a minor living in Gunnison. Officers were able utilize the minors account to arrange a meeting, in Gunnison, with the adult who was arrested and charged with Internet Luring of a Child and Enticement of a Child both class 4 felonies.

Patrol Officers started training in the check-in and release process for the GVAWL shelter in March. The city shelter will be closed in April with our state certification valid for the remainder of 2015. We are still fine tuning the process but everything is working out at this point.

Rob continues to be involved in the public schools; March had him in the 7<sup>th</sup> and 2<sup>nd</sup> grades doing Second Step classes to 150 students and DARE in the 3<sup>rd</sup> grade with 75 students. He also started working with the freshman advisory classes to discuss "Sexting". Beside school activities he met with the Choice Pass committee, FAST Advisory Committee and GCSAPP. Rob continues to be involved in the Child Passenger Safety Program and recently recertified and is classified as a lead instructor in the state program.

The Law Enforcement Victim Advocate Program is going well. For the first quarter of 2015 we have been involved in 33 cases in the county which represents contact with 42 different victims. Of those 33 cases where victim notifications were made Kari has followed up with personal contacts in 10 cases. We have also formalized a notification agreement between the DA's Office and Project Hope so that we can insure that the three organization are working together. The following chart is a breakdown of activity by agency:

	Gunnison Police Department	Gunnison Sheriff's Office	Crested Butte Marshall's Office	Mt Crested Butte Police Dept.
DV(includes assaults, criminal mischief & P/O Violations	10	4	2	5
Sex Offenses	3	1	0	1
Assaults (not DV)	4	1	0	1
Non- Criminal (suicide,	0	1	0	0

unattended death, etc.				
Total Cases	17	7	2	7

Scott Morrill, Gunnison County Emergency Manager, has advised us that the police department will be receiving 27 radios valued at \$39,169 from the 2015 Homeland Security Grant applied for by the west region. The radios being received are a combination of packsets and car radios in both VHF and 800 models. Radios will be used to replace aging equipment and to finish providing officers with 800 capability on the state wide radio system. We have also been advised that additional radio programming is being made available on the VHF frequencies as the state is reintroducing VHF into the mountain areas where 800 frequencies are limited. There is no budget implication for the cost of the radios as the grant is received by and managed by the region. The only impact on the City budget is for programming and installation. The equipment also remains property of the region and would be returned if we choose to not use it.

Members of the department participated in the following trainings during the last month;

Kyle 40 Hour, Level I Accident Investigation

Chris D and Grace, 24 Hour, Child Forensic Interview Training

All sworn officer, Youth City Council and Department Heads participated in the firearms simulator (simulator provides training for decision making and use of force)

Reports Taken	Dec	Jan	Feb	Mar
